BRIEF SUMMARY

I am currently pursuing a Master of Computer Applications (MCA) from Vivekananda Global University. I have knowledge of MERN Stack, C programming, Java, and Data Structures and Algorithms. I also completed a 3-month internship at KVON Tech, where I gained practical experience in software development and teamwork. I am passionate about learning new technologies and looking for an opportunity to start my career, improve my skills, and contribute to a growing organization.

EDUCATION

Vivekananda Global University, Jaipur

2024-2026

MCA in Computer science & Application

CGPA: 9.1

Relevant Coursework	Data Structure & Algorithms, Object Oriented Programming(Java), Computer Networking, Operating System, Database Management System
Soft Skills	Creative Thinking, Problem Solving, Teamwork, Quick Learning

PROJECTS

CATUITIONBUREAU (CA Tuition Bureau Online Platform) [LINK](#)

- **Description** - CaTuitionBureau is a web application built using React. It provides a platform for student and teacher interaction and helps users explore tuition-related information. The application features a user-friendly interface for browsing tuition services, making bookings, and managing user profiles.

MPC Certificate Automation System [LINK](#)

- **Description** - MPC Certificate Automation is a web-based application developed to simplify and automate the process of generating and managing certificates digitally. The platform provides an easy-to-use interface for certificate creation, data management, and quick verification, improving efficiency and reducing manual work.

Learning Management System (LMS)

- **Description** - A full-stack Learning Management System developed for Admin, Instructor, and Student roles. The platform allows admins to manage users and courses, instructors to upload course content, and students to enroll in courses, access learning materials, and track their progress through an interactive dashboard.

ACHIEVEMENTS

I have participated in VGU's CodeRed Coding Challenge 2024 and secured 18th rank in my college.
I have solved 50+ coding problems on various coding platform(hackerrank,leetcode,gfg)

LEADERSHIP

- **COORDINATOR OF SPORTS CLUB**

Organised inter college and intra college tournaments, event manager of gaming competition at college annual fest.
